Questionnaire for Continuous Professionals Development coordinators (CPD) and
coordinator for Open and Distance Education Learning (CODEL)

Dear respondent,
I am a Masters student doing Educational Psychology at the University of Zambia in the School
of Education carrying out a research on the use of Instruction Based Formative Assessment in
institutions of higher education in Colleges of Education in Zambia. The information that will be
collected is purely for research purpose only and will be used as such. Please kindly spare a few
minutes to answer this questionnaire as sincerely as you can. Thank you

Instructions:
• Do not write your name on this questionnaire.
• Respond to all questions by Ticking the choice of your response.
• You are free to participate in the study or decline.

Demographic Data
1. Type of College: ☐ Primary Education College ☐ Secondary Education College
☐ In-service Teacher College ☐ University College
2. Gender: ☐ female ☐ male
3. What is your age range: ☐ below 25 ☐ 26-30 ☐ 31-35 ☐ 35-40 ☐ 40+
4. What is your qualification: ☐ Diploma ☐ Bachelors Degree ☐ Masters Degree
☐ Doctorate
5. How long have you been Teaching at College level?
☐ Below 5 years ☐ 6-10 ☐ 10-15 ☐ 16+

Formative Assessment training in college
1). Have you been trained in any form of classroom based formative assessment?
☐ yes ☐ no

2). If yes what type of training mode did you have?
a. ☐ Continuous Professional Development (CPD) regular meetings
b. ☐ seminar at college
c. ☐ workshop in college
d. ☐ seminar with Lead and Learn Centre and VVOB
e. ☐ other

3) If yes to question (1) above which areas did the training cover
a. ☐ Classroom based assessment strategies
b. ☐ Designing rubrics or scoring guides with students
c. ☐ Giving effective feedback to students
d. Giving learners multiple opportunities to demonstrate success

4) Has Instruction Based Formative Assessment been included in the college Lesson Study Initiative?
1. □ yes 2. □ no

5) If yes to question (4) above, rate the implementation of instruction based formative assessment during lessons.

Using Formative assessment during lectures
6) What type of assessment do you use during lectures?
   a. □ Formative assessment
   b. □ Summative assessment
   c. □ Diagnostic assessment
   d. □ I am not sure

7) How often do you use the type assessment you have ticked above?
   1 □ rarely 2 □ Weekly 3 □ Monthly 4 □ Termly 5 □ yearly

Instruction Based Formative Assessment strategies
8) The following are some Instruction Based Formative Assessment strategies used in the lecture room. **Tick the ones that you have used during lectures in your college.**
   a. □ Clarifying learning intentions and criteria for success
   b. □ Designing and Engineering effective classroom discussions and other learning tasks that elicit evidence of student understanding
   c. □ Providing feedback that moves learners forward in their learning
   d. □ Activating or stimulating students as instructional (teaching and learning) resources for one another
   e. □ Activating or stimulating students as the owners of their own learning
   f. □ Allowing students to share their understanding of the learning intentions and criteria for success
   g. □ I don’t know am not sure

9) The following are some Instruction Based Formative Assessment activities used during lessons. **Tick the ones that you have used during lectures in your college.**
   a. □ Designing scoring guides or rubrics with students when giving assignments
   b. □ Using exemplars (samples of student work) for feedback standards
   c. □ Getting students to involved in re-assessing their own work with rubrics
   d. □ Getting students to peer assess their work using
   e. □ Posting student exemplars (samples of student work with identities hidden)
   f. □ Posting marking rubrics (marking schemes)
10) Rate your effectiveness in using Instruction Based Formative Assessment during lectures
